

EXAMPLE OF A NOMINATION FOR A SUPPORTER

Nominee's Name: Jane Johnson

Connection to Neuroendocrine Cancer: Supporter of her husband, who is living with the condition

I nominate Jane Johnson for her incredible dedication and support as a carer for her husband, Mark, who has been living with neuroendocrine cancer for the past five years. Jane goes above and beyond every single day. She not only manages Mark's appointments, medications, and treatments with absolute care, but she also finds ways to bring positivity and hope into their lives despite the challenges they face. She has created a strong support network for other families, often taking calls late at night to reassure someone newly diagnosed or share her experiences.

Her compassion extends beyond her own family. Jane has organised local fundraising events, everything from community bake sales to sponsored walks, which have raised lots of money for Neuroendocrine Cancer UK. She encourages friends, colleagues, and neighbours to get involved, and in doing so, she has raised awareness about a cancer that so often goes unnoticed.

What makes Jane truly special is her resilience and kindness. Even when things have been incredibly tough, she remains determined to make life brighter for Mark and to help others in the neuroendocrine cancer community. She has inspired those around her with her strength, and she has become a role model for what it means to be a tireless, loving supporter.

Jane deserves to be recognised for her outstanding contribution, not only to her husband's journey, but also to the wider community touched by neuroendocrine cancer.
